## LEAGUE PARTNERSHIP PROGRAM

Partnering with the League directly impacts Montana's cities and towns. Being a Partner is your exclusive opportunity to create brand recognition at high-visibility municipal events, links your organization with our online resources, and offers direct access to municipal decision-makers and their staff. The League strives not only to present these opportunities to our partners but to show how the work in our communities is mutually beneficial to our partners and members alike, creating a true and lasting partnership.
